

DDI 02219-86
2 May 1986

MEMORANDUM FOR: Director of Central Intelligence
Deputy Director of Central Intelligence

FROM: Richard J. Kerr
Deputy Director for Intelligence

SUBJECT: DDI Activity Report 28 April - 2 May 1986

DCI/DDCI Assigned Tasks

25X1

NESA and EURA contributed talking points for the DCI on various aspects of the Libyan situation.

OGI assessed the feasibility of implementing and monitoring a Western boycott of tankers carrying Libyan oil for the DDCI in response to a query from Deputy Secretary Whitehead.

OGI also responded to the DCI request to examine ways Venezuela and Ecuador could increase oil exports as a means of reducing economic pressures and drafted a white paper for the DCI on common misconceptions about anti-Communist insurgencies.

25X1

Policy Support

NESA provided a typescript for the NSC's Vince Cannistraro on the ability of the Afghan resistance to continue fighting

25X1

NESA personnel briefed the Board of Directors of the ExIm Bank on developments in the Iraqi economy and in the war with Iran.

25X1

EURA prepared for NSC's Fortier a spreadsheet on the Summit countries' reactions to US requests for economic sanctions against Libya, with an input from OEA; for Dobriansky a typescript assessing the character of the people who will be assuming leadership positions in the Yugoslav Communist Party in the annual change-over in May; and for Danzansky a typescript on the economic policies of the new French government.

EURA prepared a typescript for State assessing Greek Prime Minister Papandreou's reactions to US policy towards Libya.

EURA prepared a typescript for Commerce on the approaching budget crisis in the EC and briefed Commerce Assistant Secretary Goldfield on the Greek economic situation.

25X1

ALA completed a typescript on SWAPO's influence on the United Nations Institute for Namibia for Alan Keyes, Assistant Secretary of State for International Organizations Affairs.

OGI met with USTR to discuss support for the upcoming GATT Ministerial in Punta del Este, Uruguay in September.

OGI assessed a Soviet influence operation in the UN for a meeting between Ambassador Walters and UN Secretary General de Cuellar.

25X1

Several SOVA managers briefed the US Ambassadors to NATO, CDE, and MBFR, as well as CINCUSNAVEUR, on Soviet military perceptions of NATO. Discussions also covered projected SOVA research, and general interpretations of Soviet arms control initiatives as they relate to military doctrine.

SOVA briefed Dr. Clyde Layne of the Office of the Assistant Secretary of Defense for Research and Engineering on Soviet under-ice operations.

A SOVA manager briefed Lt Gen James A. Abrahamson, head of the Department of Defense Strategic Defense Initiative Organization (SDIO) on implications for Soviet industry of the US SDI.

SOVA is chairing an informal Agency task force to monitor developments related to the Chernobyl accident.

OSWR briefed several top government officials this week on the Soviet nuclear accident, including: Vice President Bush; approximately 60 members of the Senate; HPSCI (including House Minority Leader Jim Wright and Chairman Hamilton); Admiral McKee; Ambassador Nitze; Energy Secretary, Herrington; Ambassador Matlok, NSC; and OMB. In addition, NED is participating in the EPA White House Task Force monitoring the situation, and is preparing several reports on the accident.

OSWR provided briefings for: Donald Frederickson, Under Secretary of Defense for Tactical Warfare Programs, on new Soviet fighter and air-to-air missile performance; National Academy of Sciences Panel on Carbon-Carbon Technology Transfer; and John Darrah, Chief Scientists/NORAD on the SS-NX-24 missile system.

25X1

25X1

Administrative and Personnel Matters

ALA and NESA secretaries attended a two-day conference at the Xerox Training Center in Leesburg.

Other

25X1

OGI hosted a small conference on the impact of government targeting on industrial competitiveness.

25X1

25X1

[REDACTED]

OSWR jointly with USDOR&E/Naval Warfare and Mobility sponsored a Cruise Missile Seminar. In attendance were representatives from DoD, IAD, NRL, NAVSEA, NAVOPINTCEN, and the Aegis Project.

[REDACTED]

25X1

Briefings on the Hill

There were 12 briefings on the Hill this past week. ALA briefed Senator DeConcini on recent developments in Angola.

OSWR briefed staffers of the Senate Armed Services Committee on the NAASW program.
